

## **Intern/Trainee Program Offer**

### **(10318) Environmental Engineering Program – Teaneck, NJ**

**Start Date:** September 2021

**Hours:** 32–40 per week

**Location:** Teaneck, NJ

**Program Duration:** 12–18 months

**Compensation:** \$12.00 per hour

**Housing:** No assistance provided

**Positions:** 1

#### **Host Company Description:**

Serving the Hudson River Valley, this engineering design and consulting firm focuses on coastal and marine, flood zone, and structural engineering. They offer creative solutions that endure and are also sustainable for the beautiful shores and rivers in the area. By using low-impact sustainable design, they aim to create structures and ideas that will benefit and protect our planet and future generations to come.

#### **Position Description:**

The candidate's duties and responsibilities will include:

- Assisting with planning, designing, calculations, drafting, permitting, and construction of civil, flood, and marine engineering projects
- Using CAD software to prepare, design, and create engineering documents
- Developing and gaining sustainable engineering knowledge

#### **Applicant Qualifications:**

- To apply for the **Internship** program, applicants must be civil engineering or similar undergraduate/graduate students OR be recent graduates who begin program within 12 months of the graduation date
- To apply for the **Trainee** program, applicants must hold a bachelor or master's degree in Civil Engineering (emphasis on marine and structural) and have least 1 year of professional work experience in a related field, OR be career professionals of 5 or more years
- **FLUENT English is required (written and spoken)**
- Understanding of construction methods, structural, and/or marine engineering
- An understanding of engineering drawings, and specifications, and the ability to coordinate with multiple engineering disciplines is required
- CAD software experience is a must
- Excellent computer skills (MS Office/Excel)

#### **How to Apply:**

1. Submit a professional resume with a professional photograph
2. Indicate availability dates (start and end dates)
3. Indicate this offer number and title
