Trainee/Internship Program Offer

(10952) Maintenance Engineering Training – Rockville, MD

Program Duration: 12 - 18 months

Compensation: \$25.00-\$30.00 per hour

Housing: not provided

Number of Position Offered: 1

Host Company Description:

Founded in Bethesda, MD, more than a decade ago, this fast-growing artisanal bakery is renowned for its commitment to high-quality standards and a modern, welcoming atmosphere. Inspired by French bakeries, it specializes in scratch-made organic breads, pastries, and croissants, serving the local area through 6 retail locations. Their passion for quality is evident in every aspect of their work, creating a warm and inviting experience for all.

Position Description:

- Assist in planning regular maintenance on bakery machines and equipment to extend asset lifespan
- Learn how to diagnose, repair, or replace worn parts to minimize service interruptions
- Coordinate with other departments to prioritize maintenance tasks
- Ensure safety standards, including food safety, are upheld during maintenance
- Utilize CMMS Limble to track maintenance activities, repairs, and equipment history
- Maintain proper records of work activities, including procurement and maintenance costs
- Support spare parts procurement and inventory management

Applicant Qualifications:

- To apply for the **Trainee** program, applicants must hold **Industrial Engineering/Industrial Maintenance Technology** degrees and have least 5 years of experience in industrial maintenance.
- Minimum of 2 years of managerial or supervisory experience
- Exceptional English communication and interpersonal skills
- Good understanding of technical features of mechanical, industrial electricity, HVAC systems, boilers, etc.
- Strong knowledge of facilities, machines, and equipment.
- Excellent organizational and leadership abilities

How to Apply:

1. Submit a professional resume with a professional photograph
2. Indicate availability dates (start and end dates)
